Frequently Asked Questions...

Who do I call if I have questions about applying to SIUC and the admission process in general?

Any time you have questions about your transition to SIUC, please contact Undergraduate Admissions (618) 536-4405 or e-mail us at joinsiu@siu.edu. We are here to help you.

How long does the admission process take?

Once your completed application and other records are on file at SIUC, it will take about two weeks to notify you by mail about our admission decision. If you have not heard from us after a month, please call Undergraduate Admissions (618) 536-4405 or access SalukiNet at <http://salukinet.siu.edu>. Your SalukiNet PIN will be mailed to you.

Who do I contact if I am a transfer student with questions about my credits?

If you would like to talk to someone about the transfer process, please contact Undergraduate Admissions (618) 536-4405 or email us at joinsiu@siu.edu.

Why do you ask for my Social Security number?

Because federal law requires that you provide your Social Security Number (SSN) when you apply for financial aid, it helps if our office knows your SSN so that we can match your file with your aid application. However, providing your SSN at the point of application for admission is optional. If we receive your SSN on other documents related to your application, admission, or enrollment, your file number will be changed to reflect it. If your student identification number is not your SSN we will mail you your student ID number.

What if my name has changed?

If your name has changed since you first established a record at SIUC, you need to submit a Name Change Request to the Office of Records and Registration. You must document the change with a copy of your marriage certificate, divorce

Transfer Applicants

Transfer students seeking admission should:

- have 26 transferable semester hours or 39 quarter hours and a Grade Point Average (GPA) of 2.0 on a 4.0 scale (as calculated by SIUC grading policies);
- if *less than* 26 transferable hours are acquired, you must have a 2.0 GPA on a 4.0 scale (as calculated by SIUC grading policies) and also meet Freshman Admission Requirements.

If you have completed less than 26 semester hours or 39 quarter hours of transferable credit you must send, in addition to your official college transcripts, your ACT/SAT scores and an official high school transcript that includes your class rank.

Individualized Two Plus Two Program

This program is only for students who will be attending a community college first. This program assists students who have selected a specific major and plan to transfer to SIUC to complete a Bachelor's degree. Participants receive an academic plan detailing all courses required to complete a specific baccalaureate degree program at SIUC. Included in the plan is a list of their community college courses that can be substituted for SIUC coursework. The student receives feedback in the form of a semester by semester transfer credit evaluation report of their community college coursework.

Programs Which Begin in the Fall Only

The following majors permit new students to enter in the fall semester only:

Architectural Studies

What if I have attended SIUC before and I am applying for re-entry?

You will be re-admitted to the university if you left in good standing with a C average and have an overall C average (2.0 on 4.0=A scale) by SIUC calculation for any course work attempted since leaving SIUC. You may not automatically qualify for direct entry into a program that requires additional materials and/or screening. DO NOT enclose the \$30 Application Fee if you are a re-entry applicant. Students who have previously attended SIUC are not required to pay the fee.

What if I am a Veteran?

If you are a Veteran, you may be admitted regardless of your previous academic performance. Prior to admission, you must submit all transcripts and your military separation papers (DD214). If any college coursework was completed since separation, you must have an overall C average (2.0 on a 4.0=A scale) as detailed above. (Veterans under the age of 21 must submit ACT or SAT scores.)

What if I am undecided about my major?

You do not have to feel pressured to declare a major—many students that enroll at SIUC are uncertain about the field of study they want to pursue, or want to explore options before settling on a field.

Pre-Major Advisors at SIUC know the requirements for all the majors offered by the University.
