FIRST THINGS FIRST

NEW STUDENT ORIENTATION (NSO)

NSO is a one-day program for incoming SIU students. It's required for freshmen, strongly recommended for transfer students. Families are encouraged to accompany their new Salukis!

After you reserve your NSO date, we'll connect you with an academic advisor. Your academic advisor will help you make sense of prerequisites, core curriculum, and major requirements, and help you with first semester course selection.

What else? You'll meet the heart of SIU – fellow new students, and current students, faculty, and staff. And you'll learn about day-to-day student life, including:

- Academic support
- Getting involved on campus
- Health and wellness resources
- Financial aid counseling and bill paying options
- University Housing
- How to reserve textbooks
- And much more!

And you'll get your student ID. This is a "get in free" ticket to many campus events. All this in one day! Bring your family – we'd love to meet them too.

TRANSFER STUDENTS - We have New Student Orientation sessions just for transfer students! Consider it a head start in getting to know campus that is tailor-made for students who already have some college experience.

SALUKI STARTUP & WEEKS OF WELCOME (WoW)

Get a jumpstart on campus life! Saluki Startup is for new students and WoW is for everyone. Check out Light up the Lake, the Quad Party, Dawgs Nite Out, Chancellor's Welcome Fest, Saluki Sprint, and the New Student Group Photo – all the fun (and useful) stuff we could reasonably cram into the first weeks of fall semester.

DAWG DAYS Number of lectures: zip. Number of zip lines: 2. A 4-day/3-night retreat for incoming students at SIU's Touch of Nature Environmental Center where your mission is to have fun and make friends. You'll stay in cabins, zip-line and kayak, beat other teams in duct-tape dodge-ball and canoe battleship, and join the whole camp for movies and mixers with upperclassmen. 99% of last year's participants say they recommend the program for future freshmen. You'll need your Dawg Tag to register. The registration fee covers travel to and from locations, lodging, all meals, and SWAG! Dawg Days is not required – but it is a really cool thing to do.

HOUSING ESSENTIALS

Housing policy. If you are single, under the age of 21, have fewer than 26 credit hours earned after high school, and do not live with your parents/legal guardians while attending class, SIU requires you to live on campus in one of our residence halls. Take a virtual tour online!

 housing.siu.edu

Are you local? We ask that first-year students commuting from home submit a Housing Policy Verification Form, which is available at housing.siu.edu.

Living Learning Communities. Living Learning Communities (LLCs) are residence halls reserved for students in similar majors or areas of academic interest. Living in an LLC means you'll find your pack right away! LLCs host study halls, major-specific social events, guest speakers, and more. Students who live in LLCs report, on average, higher GPAs, more positive campus experiences and higher graduation rates.

- vegan and vegetarian entrées
- desserts
- and special diet accommodations.

Enjoy our newest concept, The Grill at Trueblood where you can enjoy made-to-order fare.
