Individuals with disabilities are welcomed. Call 618/453-5738 to request accommodations.

SIU Southern Illinois University
Opportunities for Transfer Students — Whether you are considering attending a community college before SIU or currently a student at a community college, this session will help you learn more about transfer-specific admissions and enrollment processes. Learn about transfer pathways and maximizing your time at community college. Although all transfer students are welcome to attend, those who are admitted to SIU would benefit more from meeting one-on-one with an admissions coordinator.

Student Life and Campus Engagement — We are committed to helping SIU students reach their full potential while being participants in a dynamic, engaging and inclusive environment. Dean of Students staff will describe programs and services that help students make a smooth transition to campus life and to remain successful students all the way to graduation.

Living On Campus — Learn about University Housing, Living Learning Communities, involvement and leadership opportunities, our comprehensive dining program, the SIU Housing policy, contract steps and more!

Salukis Abroad — Yes, the core of your SIU experience will be in Carbondale, but you also have the opportunity to study abroad in more than 50 countries. Come learn about the rich variety of experiences available to you overseas including study, research and internships. We have options from two weeks to an academic year.
ACADEMIC COLLEGE AND DEPARTMENTAL SHOWCASES

Showcase Instructions

- Please visit the college/departmental table at the Academic College Fair between 10 and 11 a.m.
- Verify the meeting place for the showcase with the college department representative.

1. COLLEGE OF AGRICULTURAL SCIENCES
   Agriculture Building, Room 209
   Come see why the College of Agricultural Sciences should be your next home! Learn more from faculty, staff, and current students about all the college has to offer. Our Living Learning Communities, classes, labs, and of course our 2,000 acre on-campus farm system are just a few topics that will be discussed!

2. COLLEGE OF APPLIED SCIENCES AND ARTS
   School of Allied Health
   Available upon request, see department tables during Academic College Fair from 10 - 11 a.m. to sign up.
   The School of Allied Health offers a wide variety of programs in the health care field: Dental Hygiene, Health Care Management, Mortuary Science and Funeral Service, Physical Therapist Assistant and Radiologic Sciences. Join us for an in-depth information session about the fast-growing industry and how we can help you find the career best suited for you!

3. School of Architecture
   Quigley Hall, Room 119
   The School of Architecture has been laying the foundation for success with bachelor’s degree programs in Architecture, Interior Design, and Fashion Design and Merchandising. Stunning portfolios emerge from a friendly and innovative studio culture preparing graduates for entry into high level positions in their chosen careers. Join us for an in-depth information session to learn more about how the School of Architecture can help you draw up the plans for your professional career!

4. School of Information Systems and Applied Technologies
   ASA Building, Room 106
   The School of Information Systems and Applied Technologies represents an emerging field of technology specialists ready to tackle the high demands of an increasingly network-oriented world. Find out about the Security Dawgs, our championship cybersecurity team. Come join us for an in-depth information session to find out why our entrepreneurial graduates are situated to obtain some of the best technology jobs on the market.

5. COLLEGE OF BUSINESS
   Rehn Hall, Room 326, West entrance
   Internationally accredited, the College of Business provides a vibrant and innovative educational experience for students. We are committed to the highest standards of excellence in pursuing three core academic functions of teaching, research and service. Please join the College of Business for a one-hour discussion with faculty, staff and current students to learn about academic programs and services available exclusively to business students.

6. COLLEGE OF EDUCATION AND HUMAN SERVICES
   Sign up 10 a.m.-11 a.m. at department tables during the Academic College Fair. Departmental Showcases will vary by department location.
   We’ll introduce you to our hands-on learning labs and present exciting academic/professional opportunities in: Early Childhood, Elementary Education, Secondary Education, Special Education, Public Health, Recreation Professions, Exercise Science, Rehabilitation Services, Social Work, Sport Administration, Workforce Education & Development, Behavior Analysis & Therapy, Communication Disorders & Sciences.

7. COLLEGE OF ENGINEERING
   Engineering Building, A Wing, Room A-131
   The College of Engineering is one of the fastest growing colleges on campus. Join us for an in-depth information session to learn about our majors. Check out our award-winning, student-built Moonbuggy, or one of our other student projects, and take a tour of our college to see how engineering students get hands-on experience at SIU.

8. COLLEGE OF LIBERAL ARTS
   School of Art and Design
   Allyn Building, Room 103
   The School of Art and Design conducts tours of its facilities as interest warrants. Please see a representative at the Art and Design table to arrange yours!

9. Department of Psychology
   Life Science II, Room 285D
   The Department of Psychology is one of the strongest and most diverse programs on campus. We offer a wide range of courses and choices for students with varied interests and career plans. Come meet students and faculty excited to tell you more about the programs and opportunities for you in Psychology at SIU.

10. COLLEGE OF MASS COMMUNICATION AND MEDIA ARTS
    Communications Building, Studio A
    Come learn about majors in the College of Mass Communication and Media Arts from our own faculty and students. You will learn about classes, student involvement opportunities, internships, resources, and more. Ask current students questions during the student panel, explore our studio spaces and media labs, and mingle with professors as you come to see why our college is right for you.

11. COLLEGE OF SCIENCE
    Student Services Building, Room 150
    The College of Science is dedicated to the study of the biological, physical, and informational worlds. The innovative research of our faculty and students today will lead to advancements tomorrow. Visit our showcase to discover how to be successful as a science student and how to train as a future science professional.

12. EXPLORATORY STUDENT ADVISEMENT
    Student Services Building, Room 170
    Exploratory Student Advisement (ESA) is the academic home for students who are in the major exploration and decision-making stage of their college careers. ESA offers students the opportunity to explore academic and career options while fulfilling core curriculum requirements. Academic advisors in ESA work with Career Services staff to help students find careers that suit their interests and strengths and the majors that will get them there. Students in ESA engage with their academic advisors to develop plans that will take them from where they are to where they want to be. Come learn why we say, “Graduation starts today with ESA!”
SHUTTLE SERVICE – RESIDENCE HALL TOUR

Residence Hall Tour shuttle service to West Campus will begin at 10:50 a.m. from the West Lobby, and will run continuously to Smith Hall and back until 4 p.m. The shuttles are small white buses and will leave from the West Lobby exit of the SIU Arena. If you’d like to take an Apartment Tour, please walk or drive to tour locations.
