In these unprecedented times, SIU is committed to the health and safety of our current and future Salukis! This is why we are offering campus visits in a variety of ways.

Visiting SIU, both in person and virtually, is great for transfer students who are serious about attending Southern Illinois University. Students will talk to an admissions coordinator, take a campus tour with a current student, and have an opportunity to meet with a representative in their academic area of interest.

See admissions.siu.edu/visit for registration and more information.

SIU INDIVIDUAL VISITS

SIU offers a variety of campus visit options, including virtual events such as open houses and 1-on-1 chats, as well as individual in-person visits.

Saluki Transfer Pathways is SIU Carbondale’s transfer recruitment program that provides many benefits to students interested in transferring to SIU. The program provides participants with an individualized transfer plan to help them plan their courses while at community college, transfer credit evaluation updates each semester, and personalized contact with SIU staff and advisors. Saluki Transfer Pathways, however, will allow students who intend to pursue a degree on the SIU Carbondale campus to be admitted to SIU up to two years in advance of their transfer. Participants who have earned 30 transferable semester hours and a 3.0 transfer GPA will be eligible for a $1,500/year scholarship, renewable for a second year, upon matriculation to SIU Carbondale.

TO APPLY
Students who wish to apply must complete the Undergraduate Admissions Application online, indicate their interest in participating in Saluki Transfer Pathways, and complete and return the STP participation form sent to them from Undergraduate Admissions.

Saluki Transfer Pathways Scholarship
Participants are required to submit updated, official community college transcripts each semester to be considered. Fall-entry and a limited number of spring-entry students who meet the stated criteria will receive the scholarship.

Catalog Year
Participants’ catalog year will reflect their first term at a community college or university after high school. For more information, visit admissions.siu.edu or e-mail transfer@siu.edu.

Scholarships for Transfer Students

<table>
<thead>
<tr>
<th>Name</th>

| Dean’s Transfer Scholarship | • 3.50 Transfer GPA
  • Completed 30 transferable credit hours                                   | • $4,000/year for two years
  • Total value of $8,000                                                      | Awarding began July 2020 for fall 2021. Awarding will begin July 2021 for fall 2022 students. |
| Phi Theta Kappa Scholarship | • Receive a Dean’s Transfer Scholarship offer
  • Member of PTK for at least one academic year                               | • $3,000 one-time award
  (five awarded each year)                                                     | Awards given in March for fall 2021                                           |

Competitive Scholarships
To compete for the Transfer Achievement and Provost’s Scholarships, students must submit a Transfer Scholars Program Application, found within their General Scholarship Application account, and complete an interview at SIU during Transfer Scholarship Interview Day.

Transfer Achievement Scholarship
• Eligible for a Dean’s Transfer Scholarship
• Scheduled to earn an associate degree from a regionally accredited community college before enrolling at SIU
• $6,000/year for two years
• Total value of $12,000

Provost’s Scholarship
• Covers tuition and mandatory fees for a total of two years.
• Total value of over $29,000.
• Admitted to SIU: February 1
• Complete the Transfer Scholars Program Application and scholarship interview at SIU in spring

To be considered for the greatest number of scholarships, including departmental awards, students must first be admitted to the university and then complete the General Scholarship Application by the priority deadline of December 1 each year. Transfer students are encouraged to complete the General Scholarship Application one year in advance of their term of entry. Please note that most scholarships are awarded only to fall-entry students.

TRUTH IN TUITION
Transfer students’ SIU tuition rate will be guaranteed for 48 months from their date of matriculation. For information on Truth-in-Tuition: http://tuition.siuc.edu/truthintuition.html

IT’S A SALUKI NATION!
We have eliminated out-of-state tuition for most domestic students.

ACADEMIC ADVISEMENT AND REGISTRATION
• The undergraduate catalog, schedule of classes, and registration calendar can be found online at registrar.siu.edu.
• A list of SIU academic advisement offices and contact information can be found at advisement.siu.edu.

SALUKI TRANSFER COMMITMENT
The Saluki Transfer Commitment is our pledge that all new transfer students who meet certain criteria are guaranteed that tuition and mandatory fees will be fully covered for four consecutive semesters at no cost to students or families.

Recipients must meet all of the following criteria:
• Be a first-time incoming transfer student enrolling full-time in the fall 2021 semester or later.
• Have a GPA of 2.0 (as calculated by SIU grading policies) with 26 or more transferable credits.
• Have an annual family income less than $63,575 with assets less than $50,000 based on your FAFSA.
• Be an Illinois resident who attended an Illinois high school.
• Be eligible for Federal financial aid.
• Apply by May 1

ENROLLMENT MANAGEMENT INFORMATION
• Students’ SIU catalog year is their matriculation term at SIU. Saluki Transfer Pathways participants may roll their catalog year back. Please contact transferservices@siu.edu with questions about catalog year.
• Transcripts from domestic institutions should be sent to Articulation and Evaluation. Transcripts from international institutions should be sent to the Center for International Education.
• SIU uses the Degree Works degree audit system. This system provides admitted students with easy-to-read degree audits and a streamlined graduation check-out process.
• Articulation and Evaluation has streamlined and centralized the process of developing transfer guides/agreements with community colleges. For information on developing agreements or to see which agreements have been created, visit articulation.siu.edu or contact Rachel Frazier at rfrazier@siu.edu.
• All new freshmen and transfer students who need to enroll in a math course (up to Calculus I, Math 150) who have completed the relevant prerequisite course in college with a C or better within the last year are not required to take the placement test.
• Only the most recent (last) grade will be used to calculate the transfer GPA for courses taken multiple times. Only courses taken at the same institution beginning summer 2013 and after are considered under this policy.
• Transfer students may earn up to 26 credit hours at SIU before being required to declare a major, regardless of the number of transfer credit hours.
• SIU offers the Saluki Transfer Estimator Portal (STEP), which is a tool that allows prospective transfer students to estimate how credit will transfer to SIU prior to application. STEP can be accessed at siu.transfer.degree.

ADMISSION INFORMATION AND TIPS
• General admission to SIU requires an overall C average (2.0/4.0) on all transferable work from all post-secondary institutions attended, 26 transferable semester hours, and eligibility to continue at their previous institution. Students who do not have 26 transfer hours at the time of application may be required to submit high school materials.
• Students earning an A.A. or A.S. from an accredited Illinois community college who enroll at SIU Carbondale as their next post-secondary institution will received automatic, general admission to SIUC.
• Students are encouraged to apply one year in advance, especially those applying to selective admissions programs. Students should request official transcripts from each postsecondary institution to be sent to SIU to accompany their admissions application.
• Some majors at SIU Carbondale are selective admissions programs and have criteria different from those required for general admission. Those programs include: Automotive Technology, Aviation Flight, Aviation Management, Business and Administration, all majors in the College of Engineering, Dental Hygiene*, Music, Nursing*, Physical Therapy Assistant*, and Radiologic Sciences*.
  *Entrance is only granted in the fall semester.

LEGACY ALTERNATE TUITION RATE
New freshman or transfer undergraduate students whose parent(s) or legal guardian(s) are SIU Carbondale graduates are eligible for a 20% discount on their tuition. Visit siu.edu/legacy for more information.

SIU FAFSA Code: 001758

COLLEGE UPDATES
SIU is undergoing an academic reorganization to create opportunities for greater collaboration among students and faculty. The new structure will bring the programs currently housed in 42 academic departments under eight colleges into larger schools housed within the colleges. The new structure will support flexibility and responsiveness, reduce administrative costs, and reinvigorate our academic programs. For more information on the academic reorganization plan, visit chancellor.siu.edu/vision2025/proposed-plan.php.

COLLEGE OF AGRICULTURAL, LIFE, & PHYSICAL SCIENCES
• The former College of Agricultural Sciences and College of Science have merged to form the College of Agricultural, Life, and Physical Sciences (CALPS).
• Students in CALPS can participate in hands-on research, working one-on-one with a faculty member during their undergraduate program.
• Our university facilities include a 2,000-acre on-campus working farm providing hands-on learning opportunities in agricultural systems including equestrian, livestock production, horticulture, row crops, agricultural mechanics, and sustainable agricultural systems.
• The Plant Biology Greenhouse and Conservatory contains over 700 species of plants, most not native to Illinois. This collection represents a window into the worldwide diversity of plants.
• The College of Agricultural, Life, and Physical Sciences has restructured the Biology 200A and Biology 200B sequence to Biology 211, 212 and 213. Along with the lecture and lab, the new sequence will enhance student learning with a problem-based workshop.
• Students planning to transfer to a pre-health major are encouraged to begin job shadowing while they are at community college, as many health professional schools require a significant number of job-shadowing hours.
• The Agribusiness Economics program provides an accelerated pathway from a Bachelor’s Degree to a Master’s Degree in only two additional semesters.
• SIU’s accredited forestry program ranks second nationally for B.S. degrees awarded in forestry.
• The Shawnee National Forest, SIU Touch of Nature Environmental Center, Crab Orchard Wildlife Refuge, Cedar Lake, and Giant City State Park provide countless opportunities for hunting, hiking, trail riding, fishing, camping, and other nature-based recreation only minutes from campus.

COLLEGE OF BUSINESS AND ANALYTICS
• Since its creation in 2018, the Career Closet within the College of Business & Analytics has rented out over 1,200 items that have helped over 500 students participate in professional development events such as career fairs, interviews and professional meetings.
• Jennifer Butler is the new Director of the College of Business & Analytics Office of Diversity & Inclusion.
• All Business majors are encouraged to join one of the many Registered Student Organizations available within CoBA.
• Can’t join us on campus? We offer three online degree completion options in Accounting, Business & Administration & Hospitality, Tourism & Event Management.
• It is beneficial for students to complete an A.A. or A.S. prior to transferring, and to complete as many of the required math courses as possible prior to transferring, so as not to delay their time to graduation.

SCHOOL OF EDUCATION
• School of Education now offers a Bachelor of Science program in Child and Family Services.
• The Early Childhood Preschool Primary specialization now requires GEOG 103.
• CJ/MATH 120 is no longer required for Early Childhood or Special Education.
• Teacher Education Program admission for Special Education and Elementary Education are FALL ONLY.
• Teacher Education Program welcomes the new secondary licensure program for Chemistry.
• A test of basic skills (TAP/ACT/SAT) is no longer required for teaching licensure in the state of Illinois.
• There are specific course guides that fulfill major requirements for Special Education (SPED), Elementary Education (ELEM).
• Note: This does not eliminate requirements for subject matter exams.
• Students should check with SOE to learn more about their specific degree and endorsement/license requirements.
• SIU was named Top School in the Country for Highest Return on Investment for Education Majors!

COLLEGE OF ENGINEERING, COMPUTING, TECHNOLOGY, & MATHEMATICS
• The former College of Engineering is excited to announce the addition of two Schools; School of Computing and the School of Mathematical and Statistical Sciences, to the new College of Engineering, Computing, Technology, and Mathematics.
• The Technical Resource Management degree has also moved to the new College joining our programs in Biomedical Engineering, Civil Engineering, Computer Engineering, Computer Science, Electrical Engineering, Electrical Engineering Technology, Industrial Management & Applied Engineering, Mathematics, and Mechanical Engineering.
• There are many specializations available including; a specialization in PreMedical Engineering in the Biomedical Engineering Program and a specialization in Cyber Systems and Security Engineering in the Computer Engineering Program.
• Can’t join us on campus? We offer two online degree completion options in Electrical Engineering Technology and Industrial Management & Applied Engineering.
• All Engineering and Technology degrees offered through the College are eligible for the Capstone Option advantage.
• Our College level Support Office offers free tutoring in all classes, mentoring, co-op’s, internships, and job placement.

COLLEGE OF HEALTH AND HUMAN SCIENCES AUTOMOTIVE
• The Department of Automotive Technology becomes the School of Automotive effective July 1, 2021.

AVIATION
• The Department of Aviation Management & Flight and the Department of Aviation Technologies become the School of Aviation effective July 1, 2021.
• The online Master of Science in Aviation Management will be offered beginning in Fall 2021.
• SIU Aviation is purchasing several new Cessna airplanes for student flight training and recently celebrated its 60th Anniversary.

SCHOOL OF HEALTH SCIENCES
• 100% Online RN to BSN started Spring 2021.
• Accelerated BSN begins Summer 2021.
• A new Cardiac-Interventional Specialization option in Radiologic Sciences begins Fall 2021.
• A minor in Infection Prevention and Control is in development.

SCHOOL OF HUMAN SCIENCES
• SIU Social Work is part of a new DCFS University Partnership Program.
• Master of Human Sciences that includes:
  Exercise Science Concentration
  Interdisciplinary Human Sciences Concentration
  Nutrition and Dietetics Concentration
  Sport and Recreation Administration Concentration
• Online Master of Social Work (MSW) begins Summer 2021.
• Online Master of Public Health (MPH) begins Summer 2021.

SCHOOL OF JUSTICE & PUBLIC SAFETY
• A new non-credit certificate in Paramedicine with St. Mary’s Hospital in Bourbonnais, IL began Spring 2021. A certificate in Paramedicine is one of many pathways to our B.S. in Public Safety Management.
• Online B.S. in Public Safety Management option is now available.
• Online Master of Public Safety Administration option is now available.
• Students can now earn a Certificate in Paralegal Studies.

SCHOOL OF PSYCHOLOGICAL & BEHAVIORAL SCIENCES
• Online B.A. in Psychology coming soon.
• The Bachelor of Science in Behavior Analysis & Therapy (BAT) is no longer accepting new students.
• A new online BAT minor that allows for the same BCBA certification is in development.
• Students interested in Behavior Analysis & Therapy are encouraged to apply to the Bachelor of Arts in Psychology and minor in BAT.
• We offer a new Behavior Analysis & Therapy concentration as part of the PhD in Psychology.

COLLEGE OF LIBERAL ARTS
• The School of Music is no longer offering Studio Jazz.
• History department now has an online BA program.
• MPA program now in School of Business & Analytics.
• Psychology, CJC, Paralegal have left the college
• Linguistics has added an internship at Unity Point School for their Teaching English as a Second Language (TESOL) program.

COLLEGE OF MASS COMMUNICATION AND MEDIA ARTS
• On July 1, 2021, the departments of Cinema and Photography and Radio, Television, and Digital Media will merge to become the School of Media Arts (SoMA).
• On the same day, the College of Mass Communication and Media Arts will become the College of Arts and Media (CAM), and the Schools of Architecture, Art and Design, Music and the Department of Theater will join SoMA and the School of Journalism in CAM.
