**HIGHLIGHTS**

- SIU has 200+ degree options for you to turn your Associate Degree into a Bachelor’s Degree!
- The Saluki Step Ahead program is going state-wide!
SCHOLARSHIPS FOR TRANSFER STUDENTS

Name | Criteria | Total Value | Important Dates and Deadlines
--- | --- | --- | ---
Dean’s Transfer Scholarship | • 3.50 Transfer GPA  • Completed 30 transferable credit hours | • $4,000/year for two years  • Total value of $8,000 | Awarding began in July 2021 for Fall 2022 students

Phi Theta Kappa Scholarship | • Receive a Dean’s Transfer Scholarship offer  • Member of PTK for at least one academic year | • $3,000 one-time award (five awarded each year) | Offers made by March each year

COMPETITIVE SCHOLARSHIPS

To compete for the Transfer Achievement and Provost’s Scholarships, students must submit a Transfer Scholars Program Application, found within their General Scholarship Application account, and complete an interview at SIU during Transfer Scholarship Interview Day.

Transfer Achievement Scholarship | • Eligible for a Dean’s Transfer Scholarship  • Scheduled to earn an associate degree from a regionally accredited community college before enrolling at SIU | • $6,000/year for two years  • Total value of $12,000 | Covers tuition and mandatory fees for a total of two years. Total value of over $29,000.

Provost’s Scholarship | | | Complete the Transfer Scholars Program Application and scholarship interview at SIU in spring

To be considered for the greatest number of scholarships, including departmental awards, students must first be admitted to the university and then complete the General Scholarship Application by the priority deadline of December 1 each year. Transfer students are encouraged to complete the General Scholarship Application one year in advance of their term of entry. Please note that most scholarships are awarded only to fall-entry students.

TRUTH IN TUITION

Transfer students’ SIU tuition rate will be guaranteed for 48 months from their date of matriculation. For information on Truth-in-Tuition: tuition.siuc.edu/truthintuition.html

LEGACY ALTERNATE TUITION RATE

New freshman or transfer undergraduate students whose parent(s) or legal guardian(s) are SIU Carbondale graduates are eligible for a 20% discount on their tuition. Visit siu.edu/legacy for more information.

SIU FAFSA Code: 001758

SALUKI TRANSFER COMMITMENT

The Saluki Transfer Commitment is our pledge that all new transfer students who meet certain criteria are guaranteed that tuition and mandatory fees* will be fully covered for four consecutive semesters at no cost to students or families.

RECIPIENTS MUST MEET ALL OF THE FOLLOWING CRITERIA:

- Be a first-time incoming transfer student enrolling full-time in the fall 2021 semester or later.
- Have a GPA of 2.0 (as calculated by SIU grading policies) with 26 or more transferable credits.
- Have an annual family income less than $63,575 with assets less than $50,000 based on your FAFSA.
- Be an Illinois resident who attended an Illinois high school.
- Be a dependent student under age 24.
- Be eligible for Federal financial aid.

Apply by May 1

*For 15 hours per semester

ADMISSION INFORMATION AND TIPS

- General admission to SIU requires an overall C average (2.0/4.0) on all transferable work from all post-secondary institutions attended, 12 transferable semester hours, and eligibility to continue at their previous institution. Students who do not have 12 transfer hours at the time of application may be required to submit high school materials.
- Students earning an A.A. or A.S. from an accredited Illinois community college who enroll at SIU Carbondale as their next post-secondary institution will received automatic, general admission to SIU.
- Students are encouraged to apply one year in advance, especially those applying to selective admissions programs. Students should request official transcripts from each postsecondary institution to be sent to SIU to accompany their admissions application.
- Some majors at SIU Carbondale are selective admissions programs and have criteria different from those required for general admission. Those programs include: Automotive Technology, Aviation Flight, Aviation Management, Business and Administration, all majors in the College of Engineering, Dental Hygiene*, Music, Nursing*, Physical Therapy Assistant*, and Radiologic Sciences*.
  *Entrance is only granted in the fall semester.

TRUTH IN TUITION

Transcripts from domestic institutions should be sent to Articulation and Evaluation. Transcripts from international institutions should be sent to the Center for International Education.

SIU uses the Degree Works degree audit system. This system provides admitted students with easy-to-read degree audits and a streamlined graduation check-out process.

Articulation and Evaluation has streamlined and centralized the process of developing transfer guides/agreements with community colleges. For information on developing agreements or to see which agreements have been created, visit articulation.siu.edu or contact Rachel Frazier at rfrazier@siu.edu.

All new freshmen and transfer students who need to enroll in a math course (up to Calculus I, Math 150) and have completed the relevant prerequisite course in college with a C or better within the last year are not required to take the placement test.

Only the most recent (last) grade will be used to calculate the transfer GPA for courses taken multiple times. Only courses taken at the same institution beginning summer 2013 and after are considered under this policy.

SIU offers the Saluki Transfer Estimator Portal (STEP), which is a tool that allows prospective transfer students to estimate how credit will transfer to SIU prior to application. STEP can be accessed at siu.transfer.degree.

ACADEMIC ADVISEMENT AND REGISTRATION

- The undergraduate catalog, schedule of classes, and registration calendar can be found online at registrar.siu.edu.
- A list of SIU academic advisement offices and contact information can be found at advisement.siu.edu.

SALUKI TRANSFER PATHWAYS

Saluki Transfer Pathways (STP) is SIU Carbondale’s transfer recruitment program that provides many benefits to students interested in transferring to SIU. The program provides participants with an individualized transfer plan to help them plan their courses while at community college, transfer credit evaluation updates each semester, and personalized contact with SIU staff. Students who intend to pursue a degree will need to be admitted to SIU up to two years in advance of their transfer. Participants who have earned 30 transferable semester hours and a 3.0 transfer GPA will be eligible for a $1,500/year scholarship, renewable for a second year, upon matriculation to SIU Carbondale.

TO APPLY

Students who wish to apply must complete the Undergraduate Admissions Application online, indicate their interest in participating in Saluki Transfer Pathways, and complete and return the STP participation form sent to them from Undergraduate Admissions. Admissions Applications must be received by October 1 of the prior year for students transferring in the summer or fall, and March 1 of the prior year for students transferring in the spring.

discount on their tuition. Visit siu.edu/legacy for more information.

COLLEGE UPDATES

COLLEGE OF AGRICULTURAL, LIFE, AND PHYSICAL SCIENCES
- The College of Agricultural, Life, and Physical Sciences (CALPS) welcomed Dr. Eric Brevik as the first permanent Dean of the newly formed college on July 1, 2021.
- Students in CALPS can participate in hands-on research, working one-on-one with a faculty member during their undergraduate program.
- Our 2,000-acre on-campus working farm provides hands-on learning opportunities in agricultural systems including equestrian, livestock production, horticulture, row crops, agricultural mechanics, and sustainable agricultural systems. University Farms new equipment partnership with SNP John Deere provides our students with industry leading technology and data management tools to prepare them for the high-tech agricultural industry. The opening of the Sustainable Farm provides locally-grown, nutrient-dense food for the university dining halls, urban gardening skills for students, and promotes food security to the broader southern Illinois community.
- The Plant Biology Greenhouse and Conservatory contains over 700 species of plants, most not native to Illinois. This collection represents a window into the worldwide diversity of plants.
- The School of Biological Sciences has restructured the Biology 200A and Biology 200B sequence to Biology 211, 212 and 213. Along with the lecture and lab, the new sequence will enhance student learning with a problem-based workshop.
- Students planning to transfer to a pre-health major are encouraged to begin job shadowing while they are at community college, as many health professional schools require a significant number of job-shadowing hours.
- The Agribusiness Economics program provides an accelerated pathway from a Bachelor’s Degree to a Master’s Degree in only two additional semesters.
- SIU’s hands-on accredited Forestry program includes an immersive 4-week field experience where students develop field skills in beautiful natural settings including the Great Smoky Mountains, Bryce Canyon, Zion, and Rocky Mountain National Parks. The popular program ranks second nationally for B.S. degrees awarded in forestry.
- The SIU Horticulture Research Center features nationally recognized programs that conduct applied research in cannabis, fruit, and vegetable production involving undergraduate students.
- There are over 30 registered student organizations affiliated with the college that allow students to engage in areas of personal interest with other students having the same interest.
- The Shawnee National Forest, SIU Touch of Nature Environmental Center, Crab Orchard Wildlife Refuge, Cedar Lake, and Giant City State Park provide countless opportunities for hunting, hiking, trail riding, fishing, camping, and other nature-based recreation only minutes from campus.

COLLEGE OF ARTS AND MEDIA
- In Fall of 2022, the Media Industries specialization and the Electronic Journalism specialization will move to Journalism.
- In Fall of 2022, the online certificate in Journalism will no longer be offered.
- In Fall of 2022 our Living Learning Community, College of Arts & Media (CAM) will be in Kellogg Hall.
- School of Journalism is now School of Journalism and Advertising.
- Photography is in the School of Art and Design; it is no longer in a program with Cinema or in School of Media Arts.
- Fashion Design and Merchandising has changed to Fashion Studies.
- The college will hold its first annual CAM Fest, The festival of Arts and Ideas, in April.
- The 44th Big Muddy Film festival will screen from Feb 24 through the 27th, primarily at the Varsity Theater.
- The School of Music’s Outside the Box music Festival will run in early March.
- The School of Art and Design’s annual Design Days will happen during the second weekend in April.

COLLEGE OF BUSINESS AND ANALYTICS
- A new major will be offered in Econometrics and Quantitative Economics beginning summer 2022.
- The residential MBA program will no longer be offered to new students. We are moving to a completely online MBA format.
- Can’t attend in-person classes? We offer three online degree options: Accounting (both residential and degree completion), Business & Administration (degree completion only), Hospitality, Tourism & Event Management (residential, completely online or degree completion).
- It is beneficial for students to complete an A.A. or A.S. prior to transferring, and to complete as many of the required math courses as possible prior to transferring, so as not to delay their time to graduation.

COLLEGE OF ENGINEERING, COMPUTING, TECHNOLOGY, AND MATHEMATICS
- The College of Engineering, Computing, Technology, and Mathematics is made up of 6 schools offering 100% online.
- Small classes + labs in major classes = Lab Time is Learning Time, not waiting-your-turn time.
- The Information Technology (ITEC) degree program has moved to the College joining our programs in Biomedical Engineering, Civil Engineering, Computer Engineering, Computer Science (B.A. & B.S.), Electrical Engineering, Electrical Engineering Technology, Industrial Management & Applied Engineering, Mathematics, Mechanical Engineering, and Technical Resource Management.
- There are many specializations available including a specialization in Premedical Engineering, Cyber Systems and Security Engineering, Power and Energy Engineering, Environmental Engineering, Actuarial Science, and Data Science.
- Our state-of-the-art facilities + small classrooms + and hands on courses = personalized education.
- All technology and engineering degrees offered through the College are eligible for the Capstone Option advantage.
- Our college-level Support Office offers free tutoring in all classes, as well as mentoring, co-op, internship, and job placement assistance.

COLLEGE OF HEALTH AND HUMAN SCIENCES
- We offer a direct employment pipeline for SIU Automotive graduates with over 20 Automotive Industry Partners.
- We now offer a new 100% online B.S. in Automotive Management coming Fall 2022.
- Master of Science in Automotive is coming soon!

SCHOOL OF AVIATION
- We are now accepting applications to the Online Master of Science in Aviation.
- A new Delta Airlines Agreement offers a direct employment pipeline for SIU Aviation graduates!

SCHOOL OF HEALTH SCIENCES
- We are now offering a new Cardiac-Interventional Specialization available in Radiologic Sciences.
- New this semester, a minor in Infection Prevention & Control is being offered.
- We have a new Graduate certificate available in Infection Prevention & Control.
- Occupational Therapy Doctorate (OTD) will begin in Fall 2022.
- Doctorate in Physical Therapy (DPT) will be coming in 2024!
- Health Care Management, Radiologic Sciences Management/Education Specialization, Dental Hygiene Management/Education Specialization, Mortuary Science and Funeral Services, and the RN to BSN option are now available 100% online.
- An online leveling option is available in the undergraduate Communication Disorders and Sciences program.

SCHOOL OF HUMAN SCIENCES
- Our school is excited to announce a new SIU Social Work & DCFS University Partnership Program.
- Our new Master of Human Sciences includes concentrations in Exercise Science, Interdisciplinary Human Sciences, Nutrition & Dietetics, and Sports & Recreation Administration.
- An Accelerated MS in Human Sciences is also available.
- Master of Social Work (MSW) and Master of Public Health (MPH) are now offered 100% online.
- New minors are now available in Nutrition and Public Health/Health Care Management.
- We now offer a dual-degree option in Public Health and Health Care Management.
- We are excited to announce both a new Trauma Fellowship and a new DCFS Stipend Program.

SCHOOL OF JUSTICE AND PUBLIC SAFETY
- Our B.S. in Public Safety Management and Master of Public Safety Administration are now offered 100% online.
- We are offering a new Undergraduate Certificate in Paralegal Studies.

SCHOOL OF PSYCHOLOGICAL AND BEHAVIORAL SCIENCES
- New this year, our B.A in Psychology is offered 100% online.
- We are happy to announce a new minor in Behavior Analysis & Therapy.

COLLEGE OF LIBERAL ARTS
- The College has a new Digital Humanities Lab that allows students to use Virtual Reality and Podcasting equipment to grow their expertise in using technology for creative writing, gaming, and history projects.
